

2017/18 WANDRRA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION **AGRN 822 FLOODING IN THE WHEATBELT (25 and 26 FEBRUARY 2018)**

The above event has been proclaimed an *eligible disaster* under the Disaster Recovery Funding Arrangements Western Australia (WANDRRA) on 25 September 2018, pursuant to clause 4.2 of the Disaster Recovery Funding Arrangements (DRFA) 2018, issued by the Commonwealth Government Department of Home Affairs. The State Government will provide immediate financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

Sudden and heavy rainfall (where some weather stations showing falls of up to 50 mm in 24 hours) has affected the road infrastructure in the Wheatbelt region of Western Australia in late February 2018.

Pursuant to subclause 1.1.1 of the NDRRA Determination 2017, 'Flooding' is deemed to be an eligible *natural disaster* event.

For the purposes of the WANDRRA this event will be referred to as '**AGRN 822 Flooding in the Wheatbelt (25th and 26th February 2018)**'

WANDRRA is jointly funded by the State and Commonwealth Governments and administered by the Dept. of Fire and Emergency Services, with assistance from other agencies. Through WANDRRA, the Western Australian and Commonwealth Governments provide help to people who have suffered the direct impact of a proclaimed natural disaster event.

The Local Government districts currently subject to this proclamation are as follows:

- Shire of Beverley
- Shire of Northam
- Shire of Pingelly

If information becomes available that identifies other local government districts as potentially having been directly impacted by this natural disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event are anticipated to be largely associated with the restoration and replacement of the road network infrastructure.

Assistance may be available for the following measures (*where appropriate*) typically covered by the WANDRRA:

- **For individuals and families** – Personal Hardship and Distress grants which are administered by the Department of Communities (Child Protection and Family Support Section). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. **Note – some of these measures are subject to income and/or assets testing.**
- **For small businesses** – interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions.
- **For Primary Producers** – Assistance may be available toward freight costs, materials for boundary fences (***only where it is demonstrated that public safety is at risk***), professional advice grants and interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions. These *eligible measures* are administered by the Department of Primary Industries and Regional Development, Agriculture and Food (Rural Business and Development Unit). **Note – Primary Producer Claims should be lodged before (31 March 2019).**
- **For Local Governments & State Government Agencies** – Clean-up costs and the restoration or replacement (to pre-disaster standard) of *essential public assets* including local road damage. State road damage is also included through Main Roads Western Australia. Only costs incurred that are ‘additional’ costs, and are directly related to the event, will be eligible for reimbursement. **Note - The allowable time limit for eligible claims expires on 30 June 2020.**

Claims in respect of any other *eligible measures* may also be considered.

It should be noted that assistance under the WANDRRA is not designed to supplant, or operate as a disincentive for self-help by way of commercial insurance.
