

## 2019/20 DRFAWA ELIGIBLE DISASTER PROCLAMATION NOTIFICATION

### **WESTERN AUSTRALIA SEVERE WEATHER EVENT, FROM 5 MAY 2020 ONWARDS.**

The above event has been proclaimed an *eligible disaster* under the Disaster Recovery Funding Arrangements, Western Australia (DRFAWA) on 16 July 2020, pursuant to clause 5.1 of the Disaster Recovery Funding Arrangements (DRFA) (the *Arrangements 2018*), issued by the Commonwealth Government Department of Home Affairs. The State Government will provide financial assistance to those people who have been affected through joint State and Commonwealth disaster relief and recovery arrangements.

Over the 5th and 6th May 2020 a large cold front brought heavy rain and widespread dangerously high winds across Perth and Western Australia's South West.

Less than three weeks later, between 24th and 25th May, the remnants of ex-Tropical Cyclone Mangga collided with a cold front, resulting in a severe storm that affected coastal communities from Onslow to Margaret River.

Pursuant to subclause 1.1.1 of the *Arrangements 2018*, 'Storm' is deemed to be an eligible *natural disaster* event.

For the purposes of the DRFAWA this event will be referred to as '**Western Australia Severe Weather Event, from 5 May 2020 onwards**'.

DRFAWA is jointly funded by the State and Commonwealth Governments and administered by the Department of Fire and Emergency Services (DFES), with assistance from other agencies. Through DRFAWA, the Western Australian and Commonwealth Governments provide assistance to people who have suffered the direct impact of a proclaimed disaster event.

The Local Government districts currently subject to this proclamation are as follows:

#### **Included on 16 July 2020**

Augusta-Margaret River	Ashburton	Busselton
Capel	Dardanup	Donnybrook-Balingup
Greater Geraldton	Harvey	Irwin

#### **Included on 8 September 2020**

Bunbury

If information becomes available that identifies other local government districts as potentially having been directly impacted by this disaster event, subject to further assessment these local government districts may, at a later date, be included in the affected area.

The eligible costs for this event are anticipated to be largely associated with the restoration and replacement of the road network infrastructure and counter disaster activities for the protection of the general public.

Assistance may be available for the following measures (*where appropriate*) typically covered by the DRFAWA:

- **For individuals and families** – Personal Hardship and Distress grants which are administered by the Department of Communities (Child Protection and Family Support Section). Potential measures include emergency food, accommodation, clothing, temporary living expenses, replacement of essential household contents and housing repairs to return housing to a habitable, safe and secure condition. **Note – some of these measures are subject to income and/or assets testing.**
- **For small businesses** – interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions (financial institutions).
- **For Primary Producers** – Assistance may be available toward freight costs, materials for boundary fences (***only where it is demonstrated that public safety is at risk***), professional advice grants and interest rate subsidies on ‘new’ loans approved by Authorised Deposit-taking Institutions. These *eligible measures* are administered by the Department of Primary Industries and Regional Development, Agriculture and Food (Rural Business and Development Group). **Note – Primary Producer Claims should be lodged before (25 November 2020).**
- **For Local Governments & State Government Agencies** – Clean-up costs and the restoration or replacement (to pre-disaster function) of *essential public assets* including local road damage. State road restoration is through Main Roads Western Australia. Only costs incurred that are ‘additional’ costs, and are directly related to the event, will be eligible for reimbursement.

**Note - The allowable time limit for eligible claims related to Emergency Works and Immediate Reconstruction Works (EW and IRW), for to Essential Public Assets, expires on 25 August 2020.**

LG’s wishing to seek an extension to the EW and IRW allowable time limit should contact the Disaster Recovery Funding Arrangements team to discuss.

**Note - The allowable time limit for eligible claims related to Essential Public Asset Restoration Works (EPAR) expires on 30 June 2022.**

Claims in respect of any other *eligible measures* may also be considered.

***It should be noted that assistance under the DRFAWA is not designed to supplant, or operate as a disincentive for self-help by way of commercial insurance.***

### **Primary Contacts**

Primary contacts for assistance/advice are:

- Department of Communities, Emergency Services (Child Protection and Family Support) by phone on 1800 032 965, or via website [here](#);
- Main Roads Western Australia regional offices for road infrastructure via website [here](#);
